JIMENA NAILS QUALITY

Our products are known for their unbeatable quality. Each of our products undergoes rigorous quality control and is designed to the highest standards to ensure durability, performance, and customer satisfaction.

We use top-quality materials and state-of-the-art technology in their manufacturing, allowing us to deliver superior quality that is hard to match by competitors. We are committed to excellence in every product we offer, and this is reflected in the satisfaction and trust our customers have in us.

WHAT MAKES US DIFFERENT

CONSTANT LAUNCHES

Novelty is the future, that is why we frequently launch new products. Our commitment is to stay at the forefront, constantly offering innovative and **updated solutions** to our customers.

LIMITED EDITIONS

This strategy allows us to offer unique and **exclusive products**, which follow the latest trends, resulting in an irresistible proposition for our customers to encourage purchase and loyalty.

PREMIUM QUALITY AT MARKET PRICE

Buy high quality and durable products at a reasonable price. We know that quality has its price but we are also aware that it must be **profitable** for our customers to be competitive with their prices.

WIDE CATALOG

Our main goal is to make your shopping more efficient in order to save time and reduce costs. So we have a **wide variety of products** that give you the possibility to make all your purchases in one place.

TRAINING

Good training is the first step to success. It also complements the quality of the products by ensuring that the staff is well trained and qualified to ensure **high quality services**. Therefore, we offer a wide variety of training courses that enhance the quality of our products.

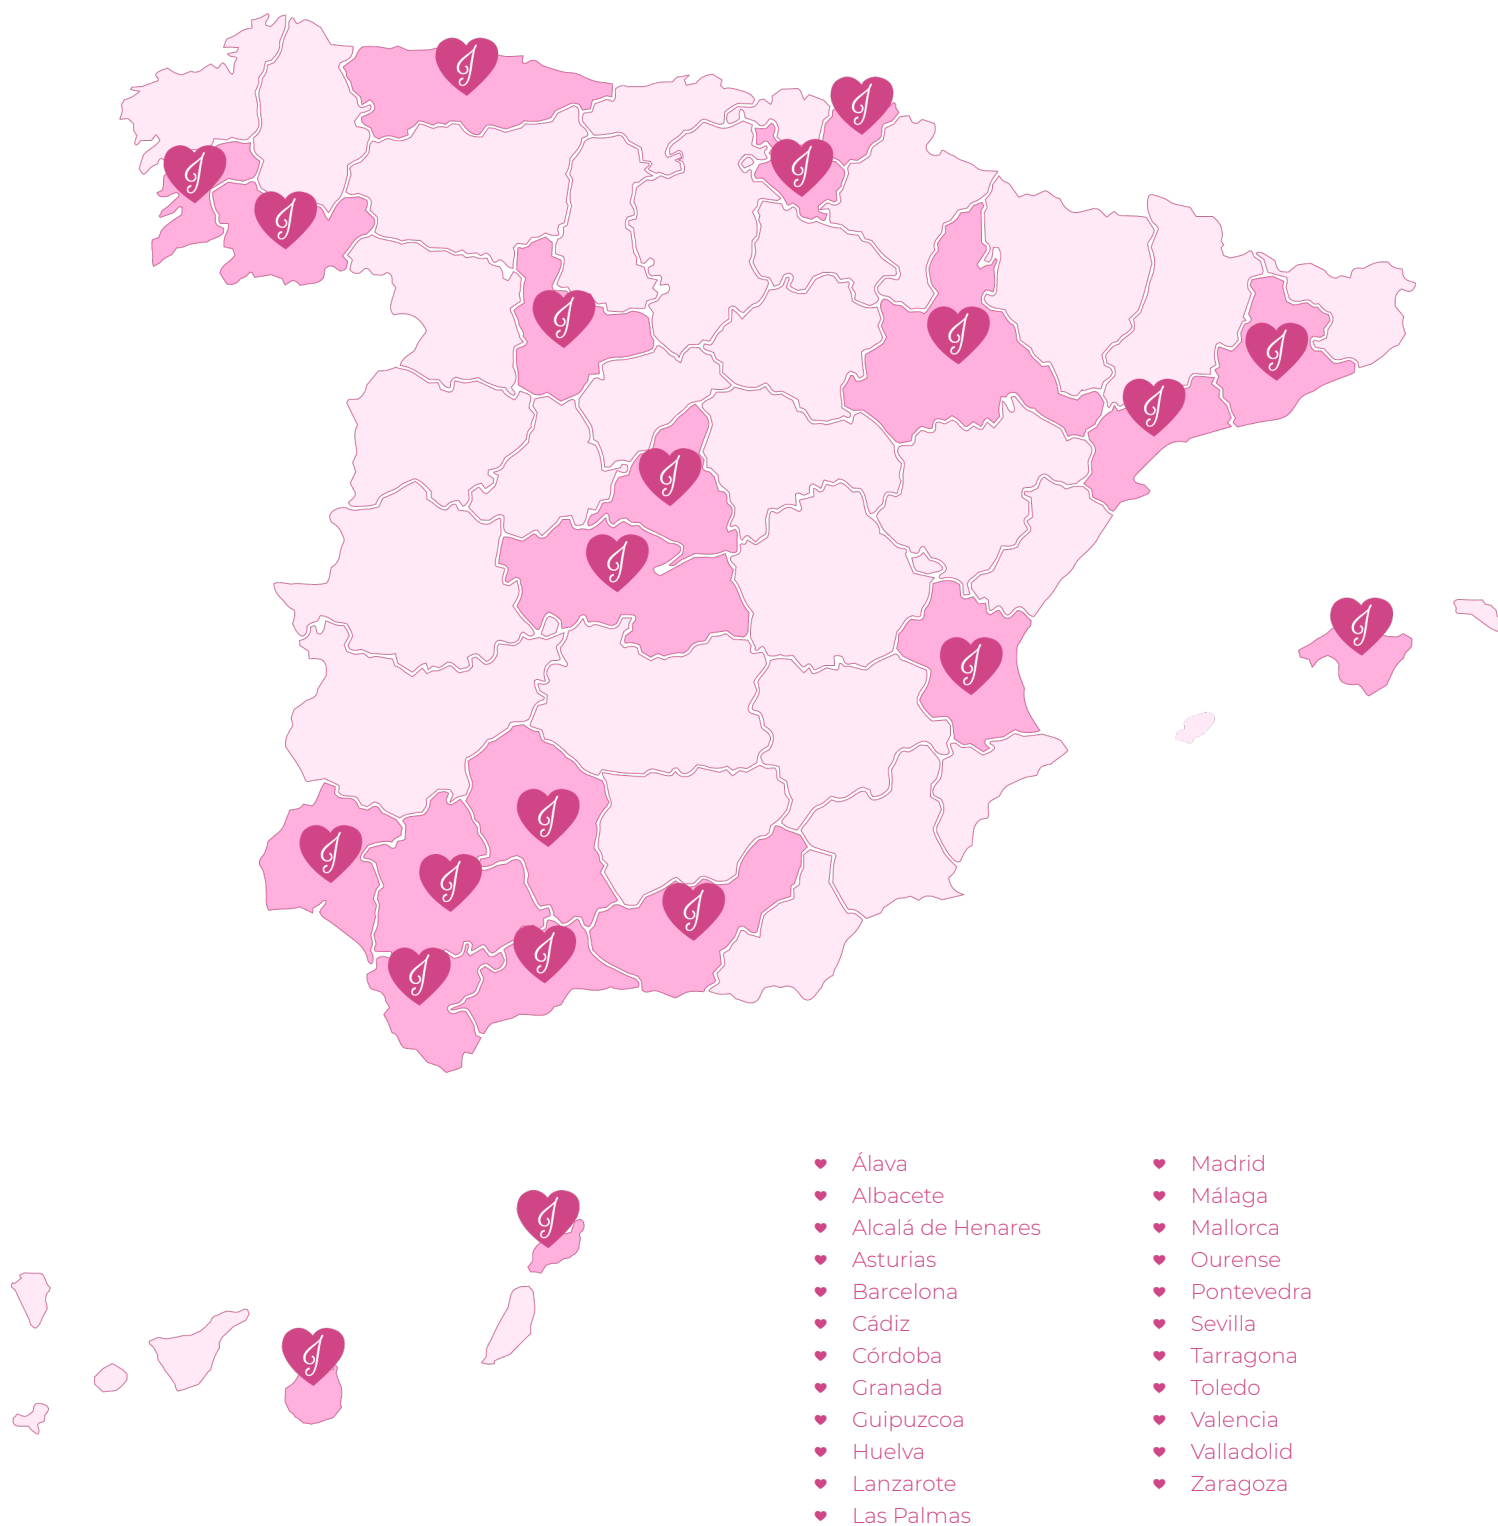

DESIGNED BY AND FOR NAIL TECHS

Our CEO Jimena Montalban has more than 12 years of experience in the industry, which allows her to have a more innovative vision when creating and testing each of our products personally. In addition, our goal is to create **cost and time** effective products, an innovative vision in which the benefit created by these products is the most important along with quality, design and comfort.

WHERE TO FIND US

You can buy all our products through our website and our Jimestore, located in Madrid, Spain. In addition to all our official points of sale throughout Spain and worldwide.

AND BEYOND...

Thanks to you we have managed to take Jimena Nails to the world. With the establishment of our first international headquarters in the United Arab Emirates and USA with the partnership of our international distributors, we work to bring the magic of Jimena Nails to the world.

BRAND VALUES

Jimena Nails is a Spanish company that prides itself on its commitment to excellence and quality. We have the support of **ICEX**, an institution linked to the **Ministry of Commerce**, Industry and Trade, and we have received funding from the **European FEDER** to support our international growth.

The Jimena Nails brand is a symbol of trust and quality in the European market. It is registered as a **Community Trade Mark**, which means that it is protected in all 27 Member States of the European Union, guaranteeing the integrity and authenticity of our products throughout the continent.

Our products also meet the highest standards of safety and efficacy. They are registered with the **European Medicines Agency**, demonstrating our commitment to the health and well-being of our customers. We are also approved by the **US FDA**, which supports our quality internationally, and we are registered with **MOIAT** in the **United Arab Emirates**, demonstrating our global presence and commitment to quality around the world.

It is important to emphasise that at Jimena Nails we are deeply **committed** to ethics and respect for animals, as well as promoting a sustainable lifestyle. Our products are not tested on animals at any stage of their development and we use **ethical methods** and **advanced laboratory techniques** to ensure that our products are safe and effective.

In addition, many of our products are **vegan**. This means they contain no animal ingredients and no animal by-products are used in their manufacture. Our range is formulated in a conscious and ethical way, making it an environmentally and animal friendly choice.

At Jimena Nails we believe that beauty can be ethical and sustainable and we are committed to offering our customers high quality products that reflect these values. Our company is a symbol of responsible beauty and we are delighted to offer products that reflect our commitment to a more compassionate and sustainable world.

In addition, all our products are **designed in Spain**, reflecting our commitment to quality and excellence in the manufacture of beauty products. Spain has a rich heritage in the beauty and personal care industry and we are proud to be part of that heritage.

Our team of designers and innovators work tirelessly to create products that are not only effective, but also at the forefront of industry trends. We value **creativity** and **innovation** in each of our products, and our base in Spain gives us the platform to combine tradition with innovation to offer unique, **high quality** products.
